

Certificate of Calibration, Quality, and Conformance

Certificate number **25ATKA15416**

Conformance

OMICRON electronics GmbH certifies that the product detailed below (device type, serial number) has been designed, manufactured, tested, adjusted, and calibrated to the highest quality standards of workmanship and materials in compliance with a quality system registered to ISO 9001:2015.

The product conforms to all specifications published in the user manual and has

passed all tests successfully.

Traceability Information

Traceability is to national standards administered by EURAMET and ILAC members (e.g. ÖKD, DKD, NIST, NATA, NPL, PTB, BNM etc.) or other recognized standard laboratories. Some measurements are traceable to natural physical constants, consensus standards or ratio type measurements.

Device type **BODE 100**
Serial number **PG247H**
Option **Rev. 2**
Calibration date **20 October 2025**

Date of issue **23 October 2025**
